“Just Saying ...”

I want to thank everyone in the chapter and the dealership for all your support throughout the five years I was your LOH officer. I have the greatest memories and tall tales that will last me a life time. I have met the most interesting and well-traveled people you could ever find in this chapter. We have done so many fun things together and I am sure your next LOH officer will bring new and exciting adventures to our chapter. I am not going away, just stepping aside. You will see me around making sure you all have a friendly face to welcome you all to our events and help in any way I can. I truly believe we can make this chapter awesome and a place you can call home.

Forever yours,

LOH Officer - Rose “Spaz” Bertolini

DIRECTOR'S NOTE

Well... it is that time of year when we wrap up the riding season and prepare for the year-end holidays! We've been given an incredible Indian Summer, but now it's time to get our bikes tucked in for the winter months and plan for next year's activities. Your officers are already hard at work organizing rides and fun events to fill your next riding season.

With that is the perfect opportunity for you to bring your ideas to the table! Now is the time to let us know about that awesome stretch of road you found out about, or the amazing breakfast joint that you never miss the chance to go to. Michigan has a plethora of food, music, and other festivals... what's your favorite?

While this is the time we look ahead to the future, it is also the time to pause and reflect on the past. We've seen a lot of changes in the Chapter this year. New members, officers, and ideas have brought fresh energy to the Chapter. We changed the Chapter Picnic to a ride, attendance at Chapter events now earns you Dealer Rewards points, and social media and text messages now help to keep you informed. The list goes on, but they all have two things in common:

A CHAPTER MEMBER AND AN IDEA!!!

As a HOG Chapter, we share the mission of all HOG Chapters around the world - **to ride and have fun!** Our members share a passion for Harley-Davidson motorcycles, a love of the ride, and a verve for life. We officers do our best to provide opportunities to share these things together. If you have an idea to help achieve this goal, we need to know! Get involved with one of our committees, help organize one of our events, or simply talk to a Chapter officer to have your ideas heard.

ENJOYING GOOD TIMES ... PRICELESS

If you feel like there is something missing from our Chapter, it might be you!

In closing, I wish everyone a Happy Thanksgiving, Merry Christmas, and Happy New Year! May you be blessed with an abundance of things to be grateful for and gifts that cannot be bought in any store.

HAPPY
NEW YEAR

Spotlight on LOH

“It’s all about the children”

The LOH members have been very busy all year with various events directed at raising funds for our Kids On The GO charity. In September, the Bertolini’s were gracious to host an outdoor picnic where members enjoyed food and frolic, and raised a total of \$810 all for the kids.

SCREW THE LEAVES—LET’S RIDE

That’s what we said and that’s what we did!! A total of 31 bikes with 2 additional guests logged a total of 1,550 miles through Macomb and Oakland Counties. Our scenic tour brought us to Buck Shot’s Bar and Grill in Clarkston. Our riders enjoyed a beautiful sunny day and some great food and comradery!

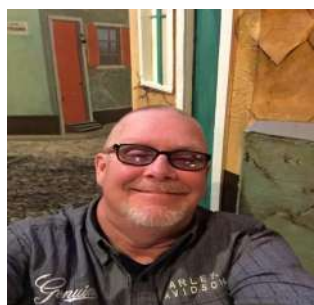

Activities are listed on the chapter calendar.

If you have any questions, contact the LOH coordinator at: loh@wolverinehog.com

Children's Charity

Kids on the GO

The charity that was chosen this year is Kids on the Go. This organization is celebrating 19 years of service to children with special needs free of charge to their families. Kids on the Go is a non-profit 501c3 organization. Their mission statement is to recognize and facilitate the goals of children with special needs and to maintain their current skills during the summer. This pediatric program provides physical, occupational and speech therapy during the summer months for special needs children ages 3 to 17 years old. They provide twice a week therapy for six weeks each summer by way of a summer camp. A program like this is rarely a covered medical benefit and often too costly for private payment. They have provided more than 1,500 camp scholarships to children in the tri-county area. We as a chapter have donated to them in past years.

The organization has an ice cream social to thank its sponsors every year. We usually stage a ride, so we can ride to the event together. If you have never attended this - I encourage you to do so. The children love our motorcycles and like to sit on them and pretend to ride them. It is very heartwarming and rewarding. Contact Debbie at: charities@wolverinehog.com

SIZE DOESN'T MATTER

A little glimpse at a couple of the "DAY RIDES" from earlier this year. Thank you Greg for leading!!
