	Doug informed the Chapter that we use to Capture the Flag from other dealers by riding out to another dealer's event and sewing our chapter rocker on to the flag. On September 6, 2003 our Chapter rode 235 miles to Sandy Harley Davidson and captured their Flag. Our Chapter had 30 day window to put on an event to give them an opportunity to recapture the flag. This event went on between the Chapters for 10 years.
Sergeant at Arms: John Bederka	John let everyone know that the duties of the Honor Guard are basically the presentation of colors and funerals. John said that any help would be appreciated. John asked for a show of hands on who would be available on an as needed basis. Ten members responded. John asked them to write down their names and phone numbers. John said he will work with people on the most convenient time to practice so that when someone requests the Honor Guard we are prepared. John's \$10 question of the month: Michigan had at one time 3 State flags. On one of the flags there was a portrait of a lady and of a man. What was the name of the man on the flag? Answer: Steven C. He read the words of the Pledge to the Chapter.
