Officer Reports

Assistant Director Tony Waxler	[none]
Treasurer Karyn Shukwit	Our Chapter is still receiving money from new memberships, but we seem to be spending more than we are taking in. Our Christmas party is fast approaching and we'll be spending more money on it. This would be a great time to become a member of the Chapter because with membership dues being half price and the cost

	of the Christmas party - you would save money on the event. At the Christmas party, which is Saturday, December 2 at Century Banquet Center in Sterling Heights, we have a DJ, great food, top shelf liquor, and lots of prizes. Plus a special surprise. Lastly, there has been little participation in guessing the model and year of the pictured motorcycle on our bulletin board in the dealership. Remember that every month you are allowed 2 guesses and the first correct guess of the month will receive a \$20 gift card. If no one submits a guess for this month, then this contest will be terminated.
Secretary Chris Turkaly	Chris is grateful to be chosen for this position and will do his best to serve the Chapter in this new role.

It begins at 6 pm and the cost is \$10 for members and \$15 for non-members. BYOB. We have a theme this year, which is to come dressed up in your best cowboy or cowgirl attire.
